**13th ANNUAL SAFE DAY -  
MAY 5, 2017 - 8:30am-1:00pm**

The Annual Safest in the Industry Awards was founded to honor companies with outstanding corporate safety and health plans and superior safety initiatives. Safe Day is known as the event that helps bring safety awareness to the forefront of the construction industry. In the spirit of growing the event, ABC, AGC of Alabama and Subcontractors Associations of Alabama - SubAla - have partnered, and members of all associations were in attendance. It is a known fact that this event not only recognizes excellence in safety, but that it also saves lives. There are no secrets in safety and we believe this partnership will only enhance the event and highlight the excellent strides the construction industry has made in safety.
